Board comments-

Councilwoman Limina said she and Councilman Zelazny learned so much at the training last week in Rochester and would like to talk about it, possibly at a workshop so they are not taking up time at a board meeting. Supervisor Wengewicz said that would be good.

Motion by Councilwoman Limina and seconded by Councilman Schiffer to adjourn the Town Board meeting at 7:09 AM

Respectfully submitted,
Darlene Rich. MMC, RMC
Town Clerk
