Supervisor-FYI- Proposed Local Law 1 of 2025 is the extension of the moratorium that was passed last year for the windmill. He sent it to the county and they need the resolution attached which is the reason for the meeting. We just did the resolution to send to the County Planning board. We set the public hearing for public comments on this local law before we vote on it.

Motion to close the Special Meeting by Seitz, second by Schiffer at 9:39 AM

Respectfully submitted,

Darlene A. Rich, MMC/RMC
Town Clerk
